# WARRIOR CAMP

ages 9-13

Warrior Camp is an unforgettable, action-packed holiday, offering amazing activities, combined with inspiring teaching where young people explore the Christian faith and world mission.

Being on holiday is about having fun and so we provide amazing activities. These include fast paced wide games and sporting activities such as volleyball, tennis, football, basketball and cricket. For those with a sense of adventure we have trips to the beach to paddle / swim in the sea, play games on the beach or go rock pooling. To satisfy the creative side there is a wide selection of art, crafts, drama, music and singing workshops. At Warrior Camp there really is something for everyone.

At the heart of camp is our passion to learn more about God and His relevance today. We take time to focus on what God is doing around the world. Throughout the week campers get the chance to explore this in fun and interactive meetings and are encouraged through the fantastic atmosphere created by spending time with other Christians.

Everyone is welcome; you can come on your own, with a friend or in a group.

# TEEN CAMP

ages 13-17

At Teen Camp we aim to offer an exciting holiday with spiritual teaching which will encourage and challenge young people in their faith. This is a great opportunity to meet other Christian teenagers and many friendships last well beyond the summer weeks.

In the morning sessions we look into the Bible – God’s message for today – with teaching and discussion. On a number of afternoons, campers choose from five or more activities, ranging from craft and drama workshops to 5-a-side and paddle boarding. As we keep the basic fee to a minimum there may be an extra charge for some activities (this depends on choices made. Details will be sent out later).

**Week A 31st July – 6th August**

**Week B 7th – 13th August**

**Cost £190 per week / Adults free**

The evening theme is God’s world, where we explore what God is doing in various parts of the world, both here and overseas.

All this plus free time, which gives campers the opportunity to enjoy competitive games on the field, go swimming or just chill out with friends, makes Teen Camp an experience you don’t want to miss.

# Information

## Adults

Adults are needed, both as tent leaders and kitchen helpers. We need keen Christians, willing to give their time and energy, as part of the camp team. Tent Leaders share in all aspects of the programme with the campers. (Leaders: Warrior 18+; Teen 20+. Kitchen team: Warrior 17+; Teen 19+. Leaders or helpers outside these ages are only accepted at the Camp Leader's discretion).

Helpers are needed to assist in setting up the camp (23rd – 30th July) and for packing up afterwards (13th – 15th August). Offers of help are appreciated whether for one or a number of days. No charge is made. Those helping practically at these times are not necessarily expected to attend the camp.

## Parties

Advanced notification of party bookings is helpful. This does not guarantee places. Party leaders may submit unnamed applications provided they are accompanied by the appropriate non-refundable deposit.

## Special Offers for Parties

## Applications

Application forms and secure online booking can be found on our website [weccamps.org](http://weccamps.org)

(Hard copies can be downloaded or requested from the Youth Office).

Age is reckoned as at 31st August 2022. For Terms and Conditions see website.

## Safety and Security

The safety and security of your child is very important to us. There is a high adult/ camper ratio and leaders are housed in adjacent tents to ensure safety and security.

Members of Staff are on site at all times and patrol throughout the late evening. Our comprehensive safeguarding policy is on the website or available from the Youth Office. All adults are vetted and DBS checked.

The camp staff reserve the right to send home without refund of fees any camper suffering from a health problem of which we have not been previously informed, or whose behaviour is detrimental or disruptive to the camp.

## Health Problems

This section on health is particularly important. Answering these questions will not necessarily prejudice a young person's place, but it will enable camp staff to assist where needed. Answers will be held in complete confidence and only shared on a need to know basis.

## Camp Life

Accommodation at camp is in our weatherproof bell tents. Each camper is provided with a camp bed, pillow, two blankets and a groundsheet. We provide a varied menu and balanced diet throughout the week.
