- At least TEN clothes pegs.
- Optional extras and things to think about... coat hangers, sun tan lotion, sun hat and spare cutlery set.
- Any outstanding medical, consent and activity forms
- Musical Instruments – If you have a musical instrument and would be willing to help lead the worship, we would encourage you to bring it.

Facilities for recharging mobile phones or any other electrical devices are limited. We advise that mobile phones are best switched off while at camp.

It is also important to note that older clothes are preferable for some activities. Open toe sandals or flip-flops are not allowed for some activities so make sure you have trainers packed. It is good to think through your choice of activities at this stage and make sure you bring appropriate clothing.

It would be super helpful if your camper packed their own case, so they know what they have with them! Try to get all your camper's gear into one case or holdall (except sleeping bag). We also ask that everything you bring has a name label.

Please do not bring jewellery or any other expensive/valuable items. All personal property is on camp at your own risk. We are not responsible for loss, damage or breakages. There is a camp bank provided to keep your money safe, which can be accessed on a daily basis. We also advise that you make use of the bank to keep important documents safe, such as, your passports and travel tickets.
