JOURNEY BY ROAD

Warrior What3Words: ///lunging.waggled.parrot

Teen What3Words: /// arise.slurping.scooter

Directions: East Runton is on the A149 (coast road), just west of Cromer. On entering the village from Cromer, turn left, (right, if coming from Sheringham). The lane is sign-posted with an official “Camping/Caravan” brown sign. Follow this lane for about a mile. You will go under the railway line and pass village green areas (one with a duck pond). The lane narrows considerably and **Manor Farm** is on the left. The campsites are just beyond the farm. Teens are in the first field on the left, Warriors are opposite, their entrance being just off the track on the right.

If you are approaching Cromer along the A148 from King’s Lynn, you will see “Manor Farm” sign-posted down a lane on the left, (just after the right turn to Fellbrigg). You will see the camps as you come down the lane. (You may find the access easier if you go down to the village green and turn round). However, please note, the lane from the A148 to the farm is very narrow and not suitable for coaches or minibuses or vehicles towing trailers.

FOR ALL PUBLIC TRANSPORT TRAVEL

The camp site is approximately 20 minutes walk from the railway station along a farm lane.

Google Maps Route: <https://goo.gl/maps/mDEPDa15gFi8Payg7>

Walking directions: To reach camp from the station on foot, walk up the hill from the station (Holt Road) until you reach Sandy Lane (the first road on the right after leaving the railway station). Go down Sandy Lane to the end of the road. Cross over and continue along the rough farm track (Newstead Lane). This is signposted Public Footpath or Public Bridleway. The camp fields are at the end of this lane, just after you have gone under the railway line.

Everyone can either find their own way to the campsite, or, if preferred, **can be met at the station** and they and/or their luggage can be transported to the site. *We will meet all campers travelling on the trains coming into Cromer on the Sundays at the times indicated above and accompany them to the camp sites.*

Leaders Or Campers Wishing To Be Met Must Give Clear Details On The Travel Reply Form.
