Campers: There is a strict NO ELECTRONIC DEVICE policy, which includes mobile phones. Any mobile phones and electronic devices can be left with the camp office for safe keeping. They will be returned at the end of the week.

Leaders: Mobile phones, battery banks and small electronic devices can be brought to camp at your own risk.

It would be super helpful if your camper packed their own case, so they know what they have with them! Try to get all your camper's gear into one case or holdall (except sleeping bag). We also ask that everything you bring has a name label.

Please do not bring jewellery or any other expensive/valuable items. All personal property is on camp at your own risk. We are not responsible for loss, damage or breakages. There is a camp bank provided to keep your money safe, which can be accessed on a daily basis. We also advise that you make use of the bank to keep important documents safe, such as, your passports and travel tickets.
