			action plan. Website updated with situation reports as necessary				
4	COVID-19 Shared Equipment	<p>Campers Changed Team</p> <p>Illness Spread of Infection</p>	<p>Beds used by more than one person over the time at camp</p> <p>Blankets used</p> <p>Any other shared equipment – enhanced cleaning; toilets cleaned twice daily as indicated in existing risk assessments; kitchen and dining areas cleaned in line with risk assessments.</p>	<p>Blankets to be changed completely from one week to the next, to account for newly arrived team/campers. Or, if not possible, 48/72 hours between re-use of blankets and suitable airing in sunlight before re-use.</p> <p>Beds being used to be sprayed with anti-viral fabric spray (Jo has sourced, and will be delivered during prep week for both camps) between switching beds. This has a short turn-around time, and just needs to dry out.</p>	<p>Turnaround Team</p> <p>Camp Leaders</p> <p>s</p> <p>Kitchen Team</p>	As Required
