# WARRIOR CAMP 2022

## East Runton, Norfolk

Hi

We are really excited about seeing you on a field near Cromer, Norfolk in the next few weeks. We hope that you are looking forward to your time with us. We think that this year's camp is going to be great. We have lots of activities planned and great opportunities to learn more about God.

There is always a lot to do on camp with craft, games of all kinds, music, drama, swimming, and lots of things to do with friends both old and new.

It is also great fun learning about God and mission. To help you do this you will need to bring your Bible with you. We don't mind which version you bring, just as long as you are comfortable with it. We find that the NIV and the Good News are the easiest to read. If you don't have a Bible then you can always buy one from our camp bookshop, they cost about £10 but sometimes we have them at camp for even less than this.

On camp we have both a bookshop and a sweet shop where you can spend your holiday money. It's always good to be able to buy something for yourself or for a family member or close friend. Our bookshop has lots of things you might want to take home including books, pens, postcards, rubbers rulers and lots of other excellent things.

Each week the camp takes an offering to help support a project that the camp missionary is involved in or has contact with. It's always good to give something back to God.

We have lots of great things happening this year and we know you will like the changes we are making to ensure your time on camp is really amazing. Thank you for wanting to be part of camp this year.

God bless – The Warrior Camp team

If you are travelling to camp as part of a group, your leader will let you know your travel arrangements. If you are coming on your own, we have enclosed a sheet of travel instructions and a travel reply slip, which you should fill in and send off to us.

You will see that there is a list of what to bring to camp on the back of this leaflet.

**PLEASE MAKE SURE THAT YOU BRING EVERYTHING ON THE LIST AND THAT IT IS ALL CLEARLY MARKED WITH YOUR NAME.**

Please fill in and bring with you your completed Medical Certificate if you haven't sent it through. This is really important, as you cannot be on camp without one.

If you have asked to be in the same tent as someone we will do our best to put you together. We cannot put you together if the age gap is too big. We do try very hard to make sure that you are with your friends but sometimes it is not possible.

We all like to receive letters from home, and getting a letter on camp is extra special. Make sure people at home have the correct address so that you can receive letters and parcels.
